

## IntelliPORT

Advances in technology have provided for greater efficiencies in business as well as greater access to online resources and information. Yet, staying abreast of current news, regulations, and opportunities regarding international trade can be a time-consuming task. With so many available resources, the search for correct and accurate information online can be problematic.

The KWTC recognizes the growing need for a clearinghouse of information and resources specific to international business. Located on the KWTC website [www.kansaswtc.org](http://www.kansaswtc.org), IntelliPORT leverages technology to provide a customizable tool that assists in the search and retrieval of international trade information. All trade information provided by IntelliPORT is reviewed and selected by KWTC professionals to ensure quality and value.

The IntelliPORT dashboard makes it easy to navigate through information. The dashboard contains modules that select and display only the topics of information you choose. Modules include items such as calendars of KWTC and other organizations upcoming events, trade news & alerts, blogs featuring experts in trade, and more. IntelliPORT makes it easy to get the information you need offering added convenience by eliminating time-consuming searches.

Registering for IntelliPORT requires only your contact & company information as well as your preferences on what information you would like to see. Once complete, the information you requested is available at your fingertips.
